

Marine Emergency Repair Kits

PICK A KIT FOR YOUR NEEDS

1

Repair Kit 1 covers the most common emergency and maintenance cases.

2

Repair Kit 2 covers a wider range of common emergency and maintenance cases.

3

Repair Kit 3 covers many different applications on board.

Three different Repair Kits were developed for emergency repairs and maintenance works onboard of ships. The Repair Kits differ in the range of included products.

WEICON Marine Emergency Repair Kits are equipped with many different products that support you in various cases.

The Kits cover most cases of offshore emergency repairs and maintenance works during long ways.
