

Cutting Torch Handle

Item No.: 361361730

Product information

A combination of torch with non-return valves and hose sockets for 6mm hoses.

On this cutting torch, all welding and cutting attachments can be attached. Also, to prevent reverse flow in the gas hoses, non-return valves are attached on the torch.

Features

- Simple and safe to use
- Versatile combination for gas cutting, brazing, welding or heating
- Lightweight

Benefits

- Easy to use
- It balances well in the hand during welding and cutting operations

Specification

General:	Invent Hazard Material (IMO/EU) classification	NA
