

OX/AC Twin Hose 2 x 9.0 mm 3/8 Inch Red/Blue With End Fittings

Item No.: 361361316

Product information

Gas hose for Oxygen and Acetylene fuel gas. if you already have an ¼" 10m hose attached to your system, this hose can be used as an extension one. Orders placed per meter.

Features

- Swaged on swivel nut couplings both ends
- One end fitted with no-return valve
- Ends professionally swaged on so no jubilee clips that might snug and give cut injuries

Benefits

- No return valve in one end maximizes the safety in reducing the risk for a flashback due to unintentional mixing of Acetylene and Oxygen gas
- Pre fitted and swaged on (crimped ferrules) ends, giving a uniformed and safe connection of the coupling ends reduces the risk of unintentional disconnection of the ends due to under / overtightened jubilee clips
- No protruding bands from jubilee clips reducing risk of cut injuries, and prevents hose from snugging in working gear and clothes
- A safer and more reliable way of securing your hose ends
