

## OX/AC Twin Hose 2 x 6.3 mm 1/4 Inch Red/Blue with End Fittings

**Item No.: 361361315**

### Product information

To make sure you have an adequate gas supply, consider increasing the diameter of the extension hose to 3/8" ID, for lengths over 10 meters. Orders placed per meter.

### Features

- Swaged on swivel nut couplings both ends
- One end fitted with no-return valve
- Ends professionally swaged on so no jubilee clips that might snag and give cut injuries

### Benefits

- No return valve in one end maximizes the safety in reducing the risk for a flashback due to unintentional mixing of Acetylene and Oxygen gas
- Pre fitted and swaged on (crimped ferrules) ends, giving a uniformed and safe connection of the coupling ends reduces the risk of unintentional disconnection of the ends due to under / overtightened jubilee clips
- No protruding bands from jubilee clips reducing risk of cut injuries, and prevents hose from snagging in working gear and clothes
- A safer and more reliable way of securing your hose ends
